World Suicide Day

is marked each year on September 10th. This year's theme is - 'Working Together to Prevent Suicide'. Perhaps the emphasis should be on 'Together' because suicide is everyone's business. Many families in every community have been affected by suicide and we find ourselves helpless when someone dies by their own hand. It is important for all of us to know that support is available to anyone in distress and for those who have experienced bereavement through suicide. If you are feeling suicidal, please know that people care and that, with support, the darkness can be lifted. Likewise, for those struggling with loss through suicide, be assured that you can be supported through this difficult time. (Details for support organisations are available on the church noticeboards, etc.)
