Trócaire Through the UK Aid Match Funding for the 2022 Lent Campaign which ran from March to May, Trócaire is delighted to announce that they have received confirmation that the maximum £2million in extra funding has been approved by the government. This extra funding will be used specifically in Zimbabwe on a programme that will create long term, positive change in people's lives. This would not have been possible without the terrific generosity of many including parishioners. Trócaire cannot thank you enough for your incredible ongoing support of their work despite the challenges of Covid and the cost of living.
