## Reflection

Lord God, you have taught us that we are members one of another and that we can never live to ourselves alone: we thank you for the community of which we are part; for those who share with us in its activities, and for all who serve its varied interests. Help us, as we have opportunity, to make our own contribution to the community and to learn to be good neighbours, that by love we may serve one another, for the sake of Jesus Christ our Lord.
