Reflection

A Prayer for all those doing exams at this time:

"Lord, pour out your Spirit of wisdom

on all students doing exams at this time.

Help them to remain calm, to attend carefully to the questions asked,

... to think clearly, to remember accurately, and to express themselves well.

Grant that they may reflect the best of the work they have done,

and the best of the teaching they have received.

When the results come out may they be satisfied that they did their best,

and may whatever path they choose in life bring them happiness.

May your love be upon them O Lord as they place

all their trust in you. Amen"
