The Season of Creation runs from the World Day of Prayer for Creation on September 1st to the Feast of St Francis of Assisi on October 4th. This ecumenical season invites Christians to pray with and for creation, to reflect on what is happening to our world at present and to discern where they are being called to act in their own lives and in their parish communities. The theme this year is 'Listen to the Voice of Creation' and takes the story of Moses and the burning bush as its inspiration: Today the prevalence of unnatural fires are a sign of the devastating effects that climate change has on the most vulnerable of our planet. Creation cries out as forests burn, animals flee and people are forced to migrate due to the fires of injustice. Season of Creation, this symbol of God's Spirit calls us to listen to the voice of creation, to the voices of those who suffer the impacts of climate change, to the voices of those who hold generational wisdom about how to live gratefully within the limits of the land. These are voices of the Earth. The global Christian family is called to awaken to the urgent need to heal our relationships with creation and with each other and to encourage our parish communities to do the same, "for we know that things can change!" (Laudato Si', 13)

Special Rosary Drive request from local school chaplains - October is the month of the Rosary and our local chaplains at Holy Trinity and St Michael's are hoping to create something special this year. While we pray the Rosary we reflect on Mary, her story and the story of her Son Jesus Christ. What a set of rosary beads can also represent is our own story! We have a set of beads blessed by Pope Francis on the occasion of our wedding, a set that belonged to a grandparent who prayed everyday, a set that glows in the dark from Lourdes, a set that a good friend made for us when our son was born. Rosaries come in all shapes and sizes, and they can tell a story, much like ourselves as part of the Body of Christ - therefore we want to showcase some of the beautiful uniqueness! Do you have a spare set of rosary beads at home? We are looking for donations of rosary beads that can be used in school, and then kept to be used at other Marian times of the year. If you do please can you leave them in an envelope marked FAO Catherine McLoughlin/Rosary Drive in the Sacristy or the Parish Office - if they have a particular story please include that too? Thank you so much in advance. Catherine and James McLoughlin (Chaplains at Holy Trinity and St Michael's)
